TEXAS FOLK WITH A SHOT OF COUNTRY

ABOUT

ROSCO JOHNNY

WWW.ROSCOJOHNNY.COM

From the dusty juke joints of the South, to the brawling south Texas bar rooms, to the cathedrals just down the road, Rosco Johnny uses all of the sounds from these places in their music. They bring you “Texas Folk with a Shot of Country” by way of their powerful, interweaving harmonies and infectious stage presence. This family trio consisting of Justin Brooks, Tiffany Brooks, and Morgan Taylor transport the listener to the familiar comfort of the front porches and deep woods of their Texas roots.
